

Grow a Reading Culture Beyond Quizzes

Students aren't reading enough—Beanstack is changing that. Through gamification and a fresh approach to accountability, we make reading engaging, rewarding, and a habit that sticks.

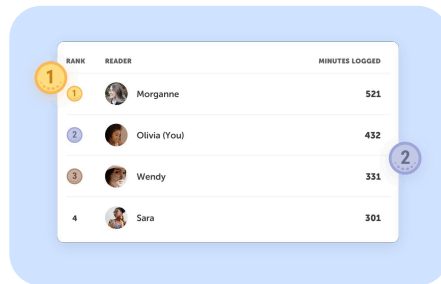

Beanstack turns reading into a shared experience, uniting students, educators, and families through customizable challenges that build a true culture of reading.

Why Beanstack Works

Community Goals

Inspire readers to contribute to a collective reading goal.

Competitions

Encourage friendly and motivational rivalries among students and staff.

Recognition

Amplify motivation with rewards and incentives tied to built-in gamification.

Say "No" to More Quizzes

Celebrate independent, free-choice reading and remove the stress of quizzes. Beanstack focuses on creating joy and excitement around books without the pressure of assessments.

Loved by Educators, Built for Readers

Robust reading accountability, insightful data and reporting, and easy library and challenge management—all in one intuitive platform.

So, how far into the book are you?

About half way

AB

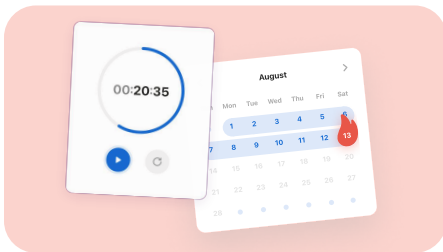

Neat!

What do you think will happen next?

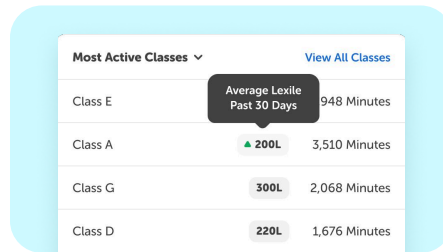

Reading Integrity Suite featuring Book Talks with Benny

Use data to verify reading logs, track engagement, and ensure accountability. Our optional AI-powered assistant, Benny, lets students reflect on their reading through quick, conversational check-ins—giving educators deeper insights while keeping reading stress-free.

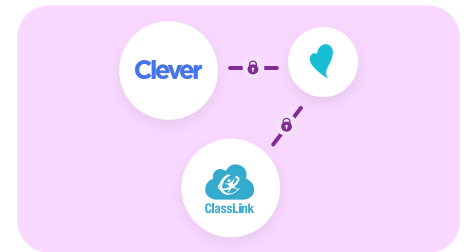

Web & Mobile App

Time reading sessions, scan and log books by ISBN, track current and past reading, see stats, and grow daily reading streaks.

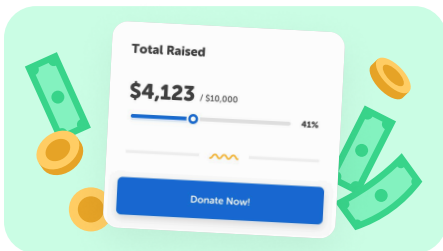

Lexile Insights

Track student reading levels, pinpoint those needing support and personalize book recommendations to guide every reader toward success.

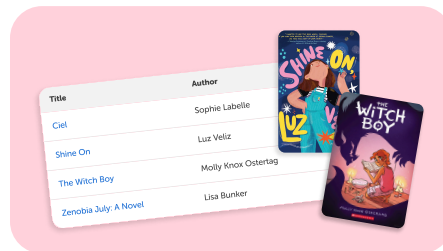

Rostering & SSO Integration

We integrate with leading SSO and rostering options, like Clever and ClassLink, so students can log in seamlessly and securely.

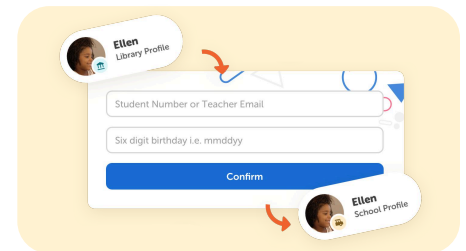

Reading Fundraisers

Raise money with readathon-style fundraisers that engage your community throughout the school year.

Classroom Library Connector

Catalog your classroom library, track checkouts, and give students access to the books they love—all in one seamless system.

Tandem Connection

Connect school and public library accounts so students can join reading challenges at both places, making it easier to keep reading all year.

Get Started

Say goodbye to quizzes and hello to a new era of reading motivation.
