

Teacher Reading Engagement Guide

Grow Your Students' Love of Reading with Beanstack

Beanstack uses proven gamification principles to motivate students to read more. Here are just a few ways you can use Beanstack to create a culture of reading in your classroom.

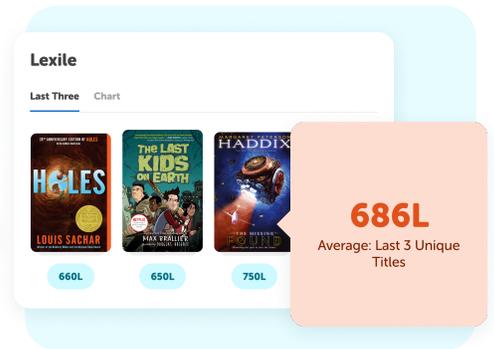

Log Independent & Group Reading

- Build a routine of logging reading in Beanstack during silent sustained reading.
- [Log a read aloud](#) for some or all of your classes.
- Replace paper reading logs with Beanstack, and encourage students and families to log reading—using the mobile app and on the web—at home.

Create a Reading Challenge

- Start simple by [creating a challenge](#) for your classroom using our ready-made templates.
- Use reading challenges to streamline your current classroom reading initiatives like genre units, reading lists, or year-long challenges to read a number of books.
- Develop custom activities and use book reviews to further promote student engagement with text.

Access Independent Reading Data & Insights

- Leverage reading logs to connect with students about their reading habits.
- Utilize Leaderboards and [Lexile insights](#) to guide your instruction, intervention, recommendations, and parent-teacher conferences.
- [Schedule automatic reports](#) to make recognition easy and timely throughout the school year.
