

BOARDING SCHOOL TIES

Name _____

A Katherine Marsh Reading Challenge

National Book Award honoree, Katherine Marsh, knows that books that feature students in boarding schools are very popular. Her novel, "Medusa," takes place in one, and she also attended boarding school for high school! As a tribute to that time and her most recent book, *Medusa: Myth of Monsters (#1)*, she has curated a list of middle grade, young adult, and adult books that cross genres but all tie back to the boarding school experience. Add these to your library queue and mark them off as you read!
