

SIBLING STORIES

Name _____

A Cece Bell Reading Challenge

If you are familiar with Cece Bell's beloved memoir, "El Deafo," then you might notice that the siblings in that book appear only briefly. This doesn't reflect the reality of her relationship to her siblings or her interest in them. In fact, Cece loves reading stories about sibling relationships and is fascinated by how they can be very positive, very negative, or a combination of both!

Add these books that feature interesting sibling relationships to your TBR list and mark them off as you read!
